Directions To Our Studio - From the Old A30 - We're next to Crannaford Railway Crossing, just outside of Broadclyst Village. Coming out of Exeter on the new A30, take the first slip road off after the second set of new traffic lights at the Sowton Roundabout, this exit is signed to Rockbeare & Sowton Village & will take you back onto the old A30. Stay on this road, passing through Clyst Honiton until you see Rockbeare Motor Services Garage on your right, at this point turn left (just after the thatched cottage called Stoney Villa) at the red signpost marked "Town & Country Supplies". This lane takes you over a hump back bridge & then a level railway crossing. Take the first driveway on the right after the crossing, signposted 'Old Barns' & 'Town & Country Supplies'. Come up the long driveway to the top where you will see ample parking spaces (don't turn off by the flag pole)

Or From Exeter via Broadclyst Village - Approaching Broadclyst Village from Exeter, you'll pass through Pinhoe and go over the bridge, after a few hundred yards on your right hand side you'll see a right hand slip road to Dog Village, take that road and carry straight on up over the slight hill (don't go around to the right by Clyst Vale Community College). Carry along this road but be careful as you'll have to follow the road straight ahead of you but this is in fact taking a right turn (if you miss this you'll reach the New Inn Pub and need to take the next right and then left to get you back onto the correct road). You'll go over a small humped back bridge then up and down a steepish hill. Ours is the last driveway on the left before the crossing named 'Old Barns' & 'Town & Country Supplies'. Come up the long driveway to the top where you will see ample parking spaces (don't turn off by the flag pole)
